

# 2024 Annual Meeting & Conference

*Building Relationships, Uniting Response*

May 7-9, 2024  
St. George, UT

Presented in Partnership with the  
Utah Division of Emergency Management  
& Utah Tech University

Each year, the Utah Emergency Management Association brings together emergency managers, first responders and public officials to learn from, train with, and celebrate the industry. This year we have partnered with the Utah Division of Emergency Management to bring you a conference which will offer pre-conference training, a working lounge, FREE headshots and IAEM Certification testing. After-Hour networking events include the Search & Rescue Dash and Dine Trail Ride and the "Never Gamble With Disaster" EM Casino Night. This is an event you won't want to miss! See you there!
